**Re: Dialysis Care Center Beverly, Chicago
Project 17-052**

Dear Ms. Olson,

This letter is to serve as my support for the 14-station dialysis facility that Dialysis Care Center has proposed at 10801 S. Western Avenue in Chicago. I also encourage the Illinois Health Facilities Board to approve this proposal as well. This dialysis center, in the heart of the 19th Ward, will help serve the many residents of the Beverly, Morgan Park and Mount Greenwood communities.

I truly believe local, community-based medical facilities are vital. They allow residents to be near their home and spend more time with their family, friends and neighbors; or otherwise enjoying productive lives. I know that adding needed medical services to this area will benefit the residents in my community, and I give my full support to Dialysis Care Center.

I appreciate your consideration in this matter. Should you wish to discuss this further, please contact me at (773) 238-8766 or mattoshea@the19thward.com.

Sincerely,

Matthew J. O'Shea
Alderman, 19th Ward
